INDEX TO VOLUME 11
JANUARY 1968 - OCTOBER 1969

AUTOVON
"Overseas AUTOVON Network Description and Configuration" ..... April, '68
"Overseas AUTOVON Maintainability Field Trial" ..... Jan., '69

CALL COMMANDER® TELEPHONE
"Touch Calling Type 860 Call Commander® Telephone" ..... July, '69

CARRIER
"Single-Circuit Station Carrier for Existing Telephone Cable" ..... Oct., '69

CATV
"CATV—A Challenge to the Future" .. July, '69
"Computer Selection of Community Antenna TV Stations" ..... July, '69

COIN-OPERATED TELEPHONES
"Improved Coin Telephone Provides Greater Range and Coin Handling Capacity" ..... Jan., '68
"Touch Calling Comes to Coin-Operated and Panel Telephones" ..... Oct., '68
"Coin-Operated Telephones and Emergency Calling" ..... Oct., '69

DESK—SPECIAL SERVICE
"Type 6L Special Service Desk with Relay Crosspoint Switch Linkage" ... July, '68

DIALS
"Miniature Dial for Styleline™ Telephones ..... Jan., '69

DIAL TONE
"Precise Dial Tone" ..... July, '68
"The Precise Dial Tone Plan" ..... April, '69

DIRECTOR-REGISTER-TRANSLATOR-SENDERS
"Automatic Toll Routing with the Type 102 Director" ..... Jan., '68
"Test Frame for Series 100 Director Systems" ..... April, '69

E-A-X (ELECTRONIC AUTOMATIC EXCHANGE)
"E-A-X (Electronic Automatic Exchange) Installed at Hasselt, Belgium" July, '68
"Field Experience with the C1 E-A-X" July, '69

GENERAL
"Index to Volume 10" ..... Jan., '68
"Patents Issued—1967" ..... April, '68
"Automatic Electric Laboratories, Its Facilities and Operations" ..... April, '69
"Patents Issued—1968" ..... April, '69

INDUSTRIAL SYSTEMS
"System Analysis Techniques" ..... Jan., '68

INTERCOMMUNICATIONS SYSTEMS
"Enterphone—an Apartment Intercom System" ..... July, '68

LINEFINDER EQUIPMENT
"Concentration of Equipment with Improved Linefinder Shelf" ..... Jan., '69

METERING, CALL
"Electronic Message Metering System" April, '68

PABX (PRIVATE AUTOMATIC BRANCH EXCHANGE)
"Type 311 PABX for Modern Business Communications" ..... Oct., '68
"Types 40 and 80 PABX Systems with Touch Calling" ..... Oct., '69

RESEARCH
"The Master Artwork Concept, a Standardized Approach to the Production of Printed-Wiring Boards" ..... Jan., '68
"SPESS" — An Experimental Stored Program Electronic Switching System" April, '68
"An Experimental Semiconductor Microphone" ..... July, '68
"Design Equations for an Experimental Coilless Ringer" ..... Oct., '68
"Testing of Plated Wire for Memory Use" ..... Jan., '69
"Design and Worst Case Analysis of Magnet Wire Coils" ..... April, '69
"Simulated Failure Analysis of Integrated Circuits" ..... July, '69
"Preparation of Permalloy Plated Wires" ..... Oct., '69

RINGERS
"Miniature Ringers for all Ringing Frequencies" ..... Jan., '69

ROUTINERS
"Actual Transmission Measurements Using the Automatic Trunk Routiner" April, '68
"Improvements in Automatic Equipment Routining" ..... July, '69

SATT (STROWGER AUTOMATIC TOLL TICKETING)
"Security Improvements for SATT Billing Information" ..... Oct., '69

TELEPHONES
"Design Elements Provide Versatility in the Type 186 and 187 Key Telephones" ..... April, '68
"Easy to Hold, Easy to Use — The Styleline™ Telephone" ..... Jan., '69

TEST SETS
"Auxiliary Test Sets for Central Office Equipment" ..... Jan., '69
"Test Set for Touch Calling Tone Receiver" ..... April, '69

TRANSMISSION ENGINEERING
"Actual Transmission Measurements Using the Automatic Trunk Routiner" April, '68
"Influence of Component Configuration on Noise" ..... July, '68
"Computer Selection of Optimum Delay Equalizers" ..... April, '69

A Comprehensive Index of all articles published in the Automatic Electric Technical Journal from Vol. 1, No. 1 through Vol. 11, No. 8 is now available. Interested persons should write the Editor, Public Relations Department, Automatic Electric Company.
